

Alligator Crawl Review

Suggested Levels: K-2

Station Time: 3-4 minutes

Objective: Sight word review and cross lateralization

Equipment: Printed or written sight words on index cards and mat or carpet

Description: Lay sight words in two straight lines on either side of the mat or carpet. Instruct student to perform a slow and controlled alligator crawl, pausing to read aloud each sight word.

Alphabet Modification- Write alphabet letters on each card in place of sight words.
